FOREWORD

Arundel Junior Senior High School although young in years, is already rich in memories for all who have attended it. We, the Panorama Staff, hope the ensuing pages will add to your store of happy memories and associations with the "dear old green and white".

For the structures that we raise,
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build.

Mrs. Mabel H. Parker
Principal

We, the 1953 Senior Class of Arundel Junior Senior High School, dedicate this edition of Panorama to our principal, Mrs. Mable H. Parker,

DEDICATION

and to our vice principal, Mr. Jesse L. Clayton. We deeply appreciate their kindness and helpfulness in guiding the destinies of all the students. Their friendship and willingness to cooperate will long be remembered by our class.

Mr. Jesse L. Clayton

THE HOME ECONOMICS DEPARTMENT

The Home Economics Department at Arundel, offers a varied program. Under the aid and supervision of Mrs. Frances Middleton, Senior High Home Economics teacher, girls are trained in almost every phase of their role as future homemakers.

This year the girls began by working in the foods room, where they discussed Nutrition and Digestion. They studied canning, freezing, pickeling, and preserving -- applying the facts they had learned doing actual work in these fields. Also, they baked yeast breads, cakes and pies.

Following the study of foods, they moved to the sewing room, where they studied Colors and Textiles. Using these studies as a background, the tenth grade girls made jumpers; the eleventh and twelfth grade girls made jerseys and dresses. The final touch to their sewing projects was a very fine fashion show based on a "skit" and featuring their finished garments.

To complete the year, the Senior girls studied and discussed problems concerning Marriage and the Family. The tenth grade girls studied home nursing, laundering, mending, and home decorating.

JUNIOR HIGH CLUBS

c

If you were to walk down Arundel's hall on any Thursday morning during the Junior High Club period, you would be amazed to see the great variety of clubs which are in session. There is a wide selection from which to choose, one to suit almost anyone's interest.

For those interested in music, there is a Glee Club, the Band, and a Dancing Club.

For those who have special hobbies and would like to develop them, there is a Stamp and Coin Collecting Club, a Nature Club, and a Model Airplane Club. Other popular activities are the Dramatic Club and the Art Club.

Still other popular clubs include the Visual Education, Home Economics and the Checkers and Horshoes Clubs. Also very interesting are the Library Club, a Clean-Up Club, and a Scholarship Improvement Club.

These clubs play an important part in the development of our Junior High.

SEASON REVIEW

Arundel captured their first Anne Arundel County Soccer Championship by defeating Glen Burnie once, Annapolis twice, and Southern twice. The only defeat of the six game schedule was to Glen Burnie in the season's opener. In the last game of the season against Southern, an Arundel win would clinch the title while a loss would mean a tie. Arundel came through with 3 goals and emerged County Champions.
